In this first book in The Tick-Tock Time Traveler series, children will travel with Stephen and learn the true story of St. Nicholas, the delightful and compassionate 3rd-century bishop who is the basis of our modern-day Santa Claus. As children meet him, they'll learn the real meaning of Christmas.

Author Karla Johnson's passion is for Christian families to have a fun way to share Jesus with others during the Christmas season. If you want a gentle, entertaining way to share Jesus with family and friends, her book will help you do just that!
